2019 International Conference on Power, Electrical and Energy Engineering (ICP3E2019),
February 27-28, 2019 Shenzhen, China

Introduction

Looking forward to your participation in the 2019 International Conference on Power, Electrical and Energy Engineering (ICP3E2019) which will be held on February 27-28, 2019 in Shenzhen, China.

Following the success of previous conferences, the conference aims to attract researchers and application developers from a wide range of Power, Electrical and Energy Engineering and related areas. The conference will cover both theoretical research and its applications in related fields. Contributions in related research fields will be especially encouraged.

Publication

All accepted papers for 2019 International Conference on Power, Electrical and Energy Engineering will be published by DEStech Publication on **Environment, Energy and Earth Sciences (ISSN: 2475-8833)**, which will be submitted for indexing by **EI Compendex, CPCI-S (formerly called ISTP) and CNKI**.

ICP3E2019 will also be online available in full text via the press platform.

Excellent papers will be selected and published on SCI and EI journals.

Join us

-Please prepare your papers and send it to sub@icp3e.org.

-The symposium will only accept English manuscripts, please do not rely on the software to complete the translation.

-Papers whose author(s) is/are unable to attend the conference will be published and submit for indexing as promised.

-If you have submitted your paper without any replies, please contact us.
